APNOMS (Asia Pacific Network Operations and Management Symposium) has been a premier conference on network operations and management in the Asia Pacific region. APNOMS 2013 is sponsored by IEICE Technical Committee on Information Communication Management (ICM) and the KICS Committee on Korean Network Operations and Management (KNOM) and technically co-sponsored by IEEE ComSoc. APNOMS meets every year, typically during September and boasts a rich history of successes. It includes a full three-day program of keynotes, tutorials, technical sessions, innovation sessions, panel discussions, poster sessions, and exhibits that focus on managing networks that span the computing and telecommunications areas. APNOMS 2013 will be held in Hiroshima, Japan. We are cordially inviting you to submit papers for technical session, poster session, innovation session, and special session. Also, we invite you to submit tutorial proposal on recently advanced topics.

We are looking forward to seeing you in Hiroshima.

APNOMS 2013 General Chair
Makoto Takano, Ph. D.

◆ Invitation to HIROSHIMA JAPAN

Hiroshima has been a center of trade and culture since the beginning of Japan's recorded history. Hiroshima is home to two UNESCO World Heritage sites: (1) A-Bomb Dome in Hiroshima, one of the few remnants of prewar Hiroshima following the atomic bombing in 1945; (2) Itsukushima Shrine in Miyajima, famed for filling with water and appearing to "float" during high tide. Other attraction in Hiroshima includes Hiroshima Peace Memorial Park Museum, Hiroshima Castle, and Shukkei-en Japanese historic gardens.

Welcome APNOMS 2013 and Enjoy HIROSHIMA!!
